JOURNEY TO THE HEART OF EUROPE

Journey to the heart of Europe to discover a feast for both the eyes and stomach, where each country is equally as impressive as the last. You'll explore the Wachau Valley, one of the most beautiful landscapes in the world, enjoy the wines of local vineyards and taste saffron-infused honey, specialty jams and, of course, rich chocolate. As the birthplace of many famous artists, this region is a hub for painting and music, both of which you'll experience in abundance. This cruise is a treat for epicureans, art aficionados and those with a musical ear.
